THANKS for helping us to go above and beyond

Thanks to your support, we're able to purchase items of equipment which go above and beyond what the NHS can normally provide – as well as enhancing staff training and wellbeing.

This is your hospital charity, at the heart of your community, and every penny you donate stays in the local area – helping people today, and for generations to come. **Thank you.**

Here's just a few examples of how your support has made a **BIG** difference:

We've created a baby memorial garden at Ormskirk District General Hospital

Your support has funded reflexology treatments, helping patients undergoing cancer treatment to feel that bit more relaxed

We've purchased chairs for antenatal clinics – helping expectant mums to be that bit more comfortable

Donations have funded places for our medical team to attend a newborn baby life-support course

Your fundraising has enabled us to purchase dementia-friendly clocks for our wards

Donations have supported the Trust's bereavement group

Our 5 FUNDS you can donate to

Sunshine Fund

Donations to the Sunshine Fund can be used by any of the services we provide including cardiology, stroke care, intensive care and for staff welfare. **You can also choose to give to a specific ward or service.**

Cancer Care

Donations help patients undergoing cancer treatments to feel that little bit more comfortable.

Children's & Maternity

Helping our youngest patients, including neonatal babies, and taking the best care of our expectant mums.

Older People & Dementia

Helping our older patients to feel more at home during their stay in hospital.

Spinal Cord Injuries

Donations help bring world-class care to patients with life-changing spinal injuries.

SO many fun ways to raise money

We are **SO** proud of all our fantastic fundraisers! Whether you walk a mile, run a marathon, abseil a wall, bake cakes for all your friends, or organise a fancy-dress day at work – every pound and penny raised will help us to bring a little sunshine to our wards.
